

These skirts
are on sale.

(a) Who are the skirts for? *Para quem são as saias?*

(b) Are they going to buy the skirts? *Elas vão comprar as saias?*

(c) Why are the skirts on sale? *Porque as saias estão na liquidação?*

Essas saias estão na liquidação.

(a) They're for the little girl's grandfather (he likes to dress up as a woman!) *Para o avô da menininha (ele gosta de se vestir como mulher!)*

(b) Not yet. They're not sure what the right size is. *Ainda não. Elas não tem certeza de qual é o tamanho certo.*

(c) Because nobody wants them. *Porque ninguém quer (as saias).*

a) The skirts are for a friend of a friend. This man also likes to dress up as a woman. I think he is Scottish.

b) I don't know. Maybe. She has been looking at the skirts for a long time.

c) Because they need to sell their store.

a) They're for my niece Ana Luiza.

b) Maybe not, because they don't like the color.

c) Because they're old-fashioned.

They're for all the women in that family.

Yes, they certainly will. They need them for the Barn Dance.

Because they are made of cheap fabric and they are odd.

a) They are for her mother-in-law.

b) It depends on the price, they are still shopping around (ainda estão olhando por aí)

c) Because it's the the New Year.

- a) they are for the little girl
- b) No.
- c) because everybody wants the skirts.

- a) They are for my sister.
- b) Maybe not. Because they don't like them.
- c) Because they are old-fashioned.

The skirts are for me. I like to dress in skirts.
Yes, I'm going to buy the skirts.
They're on sale because a new collection is arriving.
